25 March 1960

MEMORANDUM FOR: U.S. Army Transportation Intelligence Agency

ATTENTION : Col. Robert Thompson

SUBJECT : Training of Mr. Franklin Branson in the Intelligence Subject Code

From 29 February to 25 March 1960, Mr. Franklin Branson received training in the organization and use of the Intelligence Subject Code. The Document Division and the Machine Division were included among other trips to acquaint the trainees with document processing methods and reference facilities within CIA.

Mr. Branson understands the organization and use of the Intelligence Subject Code. He is methodical in approach. Re-training will be necessary after the revised Intelligence Subject Code is in use.

It has been a pleasure to have Mr. Branson in our office.
